

Joint Information Center - JIC Release No. 618
March 30, 2021, 9:20 a.m. (ChST)

UPDATE: COVID-19 Vaccination Clinics at UOG Fieldhouse

COVID-19 Vaccination Clinics on March 30-April 2 & April 6-April 17 at UOG Fieldhouse
COVID-19 vaccination clinics continue through April 2, from 12 p.m. to 5:30 p.m. and Tuesday, April 6 to Saturday, April 17, from 12 p.m. to 6:30 p.m. at the UOG Fieldhouse. These clinics will administer first doses of the Pfizer-BioNTech vaccine and second doses of both the Moderna and Pfizer-BioNTech vaccine. The Johnson & Johnson vaccine is not available at the UOG vaccination clinic at this time.

Eligibility is open to residents 16 years and older. Minors must be accompanied by a parent or legal guardian and provide government-issued identification to validate age. The parent or legal guardian will also be required to sign a consent form on behalf of the minor to receive the vaccine.

Walk-ins will be accepted at a limited rate of 15 per hour. Walk-ins wishing to avoid longer wait times are discouraged from lining up before the 10 a.m. opening and are asked to expect reasonable delays. Upon arrival, individuals 60 years and older will be sent to the front of the line. Bring a digital or hard copy appointment confirmation, a photo ID, and proof of Guam residency (Guam Driver's License, Guam ID, Green Card, US, FSM, Palau, or RMI Passport). Those due for their second dose are reminded to bring their COVID-19 immunization card. This ensures quicker processing and proper documentation.

According to the [U.S. Centers for Disease Control and Prevention \(CDC\)](https://www.cdc.gov), those due for their second dose of the vaccine may get their second dose up to four (4) days early or 42 days after. The CDC further states that if it is not feasible to adhere to the recommended interval and a delay in vaccination is unavoidable, the second dose of Pfizer-BioNTech and Moderna COVID-19 vaccines may be administered up to 6 weeks (42 days) after the first dose.

†Public and private clinics and pharmacies may become enrolled providers after first agreeing to participate in the DPHSS vaccination program. Enrolled providers must meet federal storage and handling requirements for COVID-19 vaccines as established by the U.S. Centers for Disease Control and Prevention (CDC), designate staff to complete CDC online training and certification courses, and enroll to report vaccine administration through DPHSS Immunization Registry to meet CDC reporting requirements. Enrolled providers will continue to receive COVID-19 vaccination allocations from DPHSS monthly if the island's vaccination allocation supply permits and if they continue to uphold these requirements.

GBHWC Crisis Hotline

The Guam Behavioral Health and Wellness Center (GBHWC) has a Crisis Hotline available 24/7 at (671) 647-8833/4. For those feeling anxious, stressed, overwhelmed, or are needing to talk to someone, GBHWC has experienced providers available and ready to assist the community with any heightened stress and anxiety experienced as a result of COVID-19.

For the latest information on COVID-19, visit dphss.guam.gov or guamrecovery.com. For inquiries on COVID-19, contact 311 through a local number, or call the Joint Information Center at (671) 478-0208/09/10.
